TECH CENTER 1600/2900

The following is a third party submission of a publication that may be relevant to the above-referenced application. As required by 37 C.F.R. § 1.99, this submission:

- (i) is accompanied by a fee for \$180 dollars (pursuant to 37 C.F.R. § 1.17(p));
- (ii) includes a hard copy of the publication listed below, attached hereto;
- (iii) has been served upon the applicants' attorney under the provisions of 37 C.F.R. § 1.248(a)(4)(first class mail) on April 8, 2003; and
- (iv) could not have been submitted earlier because the cited patent first became available as a reference (under 35 U.S.C. § 102(e)) against the above-identified published application on March 18, 2003.

Also accompanying this paper is a self-addressed postcard.
